SIZE OF METER REQUESTED (MUST EQUAL SERVICE LINE SIZE): _____

1. SMCMUA purchases and installs all meters up to and including 2-inch diameter. For SMCMUA meter installation, the plumbing must be prepared for install and required backflow prevention must be in place.
2. Meter spread information can be found under the 'Engineering' tab at www.smcmua.org
3. SMCMUA will provide larger meters to the developer for installation by a licensed plumber. The applicant must reimburse SMCMUA for larger meters. SMCMUA will inspect the meter and install an automatic reader prior to turning on the water.

****For meters 4-inch and larger, SMCMUA will invoice the meter fee per the SMCMUA's Rules and Regulations. The meter pick-up will be scheduled upon receipt of payment. Note, it may take up to two months after receipt of payment for delivery of larger meters.****

Submitted by: _____ (name printed) _____ (signature)

I certify that I have personally examined and am familiar with the information submitted in this document and that, based on my inquiry of those individuals immediately responsible for obtaining and preparing the information, I believe that the information is true, accurate, and complete.
